AREAS OF INTEREST FOR FUNDING IN FISCAL YEAR 2019-20

Watsonville Rotary Foundation awards grants to organizations whose applications are focused on the Areas of Interest below. Each of these Areas of Interest includes specific goals. Interested applicants must identify one or more areas of interest and specific goal(s) for their request.

1. Youth Violence Prevention: We would like to minimize the factors that contribute to youth violence by supporting programs/projects that:

- Empower youth to seek positive solutions to social problems.
- Provide safe places for children and their families.
- Increase access to mental health services for youth and their families.
- Provide pathways for students to stay in school and complete their education.

2. Education Outreach Support: We would like to encourage youth to increase their knowledge and their capacity to experience good quality of life by supporting programs/projects that:

- Encourage attainment of higher education goals (academic, technical & vocational).
- Teach workforce development skills.
- Provide educational pipeline programs for early development of career/professional interests.
- Teach life skills and provide tools to address specific challenges and opportunities.
- Encourage the practice of making safe and healthy lifestyle choices.

FUNDS AVAILABLE AND DURATION

Watsonville Rotary Foundation grants will be awarded in June 2020 to fund projects that will take place in FY 2020-21. Grants will range from \$250 to \$2,500. Due to limited resources, **applicants can apply for only one grant per year**. Those who are awarded funding in a given year will not be eligible to apply the following year. However, they may apply again in the second year.

The number of grants and the amounts awarded are tied directly to Watsonville Rotary's fundraising efforts on an annual basis and can vary from year to year. The club's GRC will review grant proposals in the spring of each year through an objective process designed to identify proposals that most closely align with our grant guidelines.

GRC recommendations are then forwarded to the Rotary Board of Directors for review. Approved grants are distributed in June. If your organization is approved for funding, we require that you recognize the Watsonville Rotary Club Foundation on your website, social media and/or advertising.

Watsonville Rotary will not be able to fund all requests submitted in response to this Request for proposals – only those projects that most strongly meet the identified program goals above will receive support within Rotary's budgetary limitations.

The grant term will be one year (**July 2020-June 2021**); however, one-time and short-term projects will be considered.

TYPES OF SUPPORT

The Watsonville Rotary Foundation prefers to provide program/project support and does not generally provide capacity-building, core operating or capital grants. Exceptions may include this type of support as part of a program/project grant.
